Free Plan

The Free Plan is ideal for those starting their journey in career development and seeking to explore learning opportunities without any initial investment. It provides access to **all lessons** with **presentation and voice-over**, along with **full access to reading material** and **practice quizzes** to reinforce foundational knowledge. Additionally, this plan includes **basic soft skills training** and **limited tips for networking strategies** to help students begin building connections in their chosen field. Program access is limited to **15 days**, making this plan suitable for short-term exploration.
