

## Premium Plan

The Premium Plan is a comprehensive career development package designed for individuals aiming for job placement and advanced skills. It includes all features of the Free and Basic Plans and adds **mock interviews (3 sessions)**, **LinkedIn profile reviews**, and **custom resume reviews (1 review)** for tailored job search support. Advanced features like **skill gap analysis**, **personal branding strategies**, and **portfolio-building guidance** equip learners for competitive job markets. Additionally, participants receive **global job market preparation** insights, **freelancing opportunities**, and **one-on-one mentorship from SMEs**. Access to **career workshops** and **full Resume Marketing Services (RMS)** ensures robust preparation for job applications. Program access is extended to **180 days**, providing sufficient time for in-depth learning and career advancement.
